

WINE LIST

We strive to offer you among the finest and most diverse selections of wines available in the state of Vermont. Our list includes wines from all over the world to provide for a wide range of styles and tastes. We will be happy to assist you in choosing the ideal wine to compliment your meal or to enjoy on its own.

Most wines are listed without the vintage year, because the vintages are subject to constant change. Please ask your server if you would like to know which vintage is available.
